

CROWD CONTROL BARRIER GATE, HANDICAP ACCESSIBLE

Handicap accessible crowd control gate, part of our Crowd Management Entry Solutions, provides barrier-free access at events.

SKU: 1002355 | **Categories:** [Crowd Management Entry Solutions](#)

PRODUCT DESCRIPTION

The Crowd Control Barrier Gate, Handicap Accessible is an essential component of our Crowd Management Entry Solutions, ensuring ADA-compliant, barrier-free access for attendees using wheelchairs or other mobility aids. With a 1-meter wide entry, this gate is perfect for ensuring inclusivity at festivals, concerts, and sports events.

The gate includes two barrier panels and base plates, designed for quick and easy assembly. It can seamlessly integrate with existing crowd control barriers to create accessible pathways within any event setup. Built with durable materials, this gate ensures reliable use in various event conditions while promoting an inclusive event experience.
