PRODUCT DESCRIPTION

Compact and stylish, the Paris Table Lamp is the smallest in the Paris lighting series. Its 9-inch height and pleated white shade make it an excellent choice for intimate lighting on small tables, bedside units, or accent displays. The pleated shade diffuses light gently, while the chrome base adds a modern, polished touch to your event decor.

As part of the cohesive Paris collection, this compact table lamp pairs perfectly with its larger counterparts: the 17.3-inch table lamp and the 47.2-inch floor lamp. Together, the series offers scalable lighting solutions for any event space, from artist dressing rooms to luxurious lounges. Lightweight and easy to transport, the Paris series ensures effortless style wherever it's used.
